

GQCCC Workshop with Joan Barker
Bali Pop Puzzle
June 15, 2024 , 2024, 9:30 AM to 3:30 PM

SUPPLIES LIST

- 1 to 2 [Bali Pop](#), [Jelly Roll](#) precuts (assume 40-2 ½" strips per roll). Or cut 2 ½" strips from your stash across the width of fabric (44"). You will be able to create approximately 25-10" blocks from 60 strips. For the quilts shown below I started with one Bali Pop and added additional strips from my stash,
- Rotary mat and cutter,
- Ruler for cutting strips. I recommend 6" x 12",
- 90° triangle ruler ([The Strip Tube Ruler](#) by Cozy Quilt Designs, [90 Degree Quarter-Square Triangle Quilt Ruler](#) by Creative Grids, or other brand). Be sure to attach non-slip dots.
- 6" square non-slip ruler,
- 12" square or larger non-slip ruler,
- 30 safety pins,
- Regular sewing pins,
- Small iron and pressing mat (optional),
- [That Purple Thang](#) or stiletto,
- Thread (I prefer a neutral color),
- Sewing machine,
- Batting and fabric for background, borders, binding and backing to complete the quilt after the workshop.
